On March 5, 2023, Districts 48 held a comprehensive GSR Orientation. Topics included the “upside down triangle”, the difference between a group and a meeting, what a GSR does for the group and districts as well as who participates in voting and why, to name just a few. Also discussed was what to expect over the next 2 years as GSR’s move into their new positions.

On **April 15, 2023**, EPGSA will hold a **Pre-Conference Sharing Session** in Allentown, PA. The focus will be on General Service Conference agenda topics chosen by GSRs.

UNITY

How do we remain unified? Through the Traditions. Tradition one: Our common welfare should come first; personal recovery depends upon A.A. unity.

Unity may not be harmony and not everyone is going to agree with the group conscious however unity means that when the group conscious makes a decision, I embrace that decision. I don't get to participate in retaliation and agrument. To do so would mean that I know better than the group conscious, which is God consciousness. Do I really know better than God?

The Declaration of Unity

To this we owe A.A.'s future; to place our common welfare first; to keep our fellowship united. For on A.A. unity depend our lives, and the lives of those to come.
