OUR THREE LEGACIES

Concept 9—Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees.

Step 9—Made direct amends to such people whenever possible, except when do to so when injure them or others.

Tradition 9—AA, as such, ought never be organized; but we may create service boards or committee directly responsible to those they serve.
