CONCEPT IV

Throughout our Conference structure, we ought to maintain at all responsible levels a traditional “Right of Participation,” taking care that each classification or group of our world servants shall be allowed a voting representation in reasonable proportion to the responsibility that each must discharge.

STEP 4

Made a searching and fearless moral inventory of ourselves.

TRADITION 4

Each group should be autonomous except in matters affecting other groups or A.A. as a whole.

APRIL 2024

 WE ARE NOT A GLUM LOT 

What do a dulcimer, banjo, guitar and ukulele player have in common? Sobriety! A grand-sponsor, a sponsor, a sponsee and an old-timer take their program of recovery seriously but they are not a glum lot. We insist on having fun and enjoying sobriety. Nathan plays the ukulele and is the newest person to A.A. Jason strums the guitar and is not as new. Mike picks the banjo and is the middle-timer. Gary plays an Appalachian dulcimer and is the old-timer. Tongue in cheek, Mike coined the name of the band as the 'Pennsylvania Wet Brains'. They practice weekly and play songs like Amazing Grace and folk tunes. The band is currently on its Rock Bottom tour on the back porch in New Albany and Hughesville.
