

Acceptance is Key  
Pine St United Methodist Church  
Monday Nights at 7:00 pm  
State Date 7/2020

During covid in 2020 most of the in person meetings on Mondays shut down. Initially a group of us met at Bowman Field under the pavilions. Our attendance on average was about 20 people.

Once fall came we decided to find an indoor location and officially became a group. The group is currently located at Pine St., United Methodist Church as they were very willing to provide a space. Our current attendance has gone on to average about 40 people. Since the growth in attendance the meeting room has changed, however we are still found at the same location.
