

FANTASTIC MEETING

OUR LADY OF LOURDES CHURCH

Fantastic Meeting

The fantastic meeting of Alcoholics Anonymous started in the Pennvale Community Center. The exact day and month is uncertain, but it is believed that the meeting formed some time in the late eighties. They met in a small room by the main office. The meeting started with only a few members, but grew quickly and was forced to move to a place where it could accommodate more members. It is now located at Our Lady of Lourdes Church, in Montoursville. It still has an open format, all our welcome. The topics vary and include reading from the daily reflections, open discussion, step meetings, and grapevine.

John G. and Bill M. were among the early members and founders of this meeting.
