ST. BONIFACE RECTORY

FRIDAY NIGHT BIG BOOK MEETING

The first meeting was held on January 22, 1982. Six members attended.

Members beginning the meeting were: Lamont D., Dave L., Bob T. Others who attended in the first six months were: Ernie K., Tom D., Jack D., Jim E., Bill K., And Kelly P.

The group was started to meet the need for a Big Book meeting in Williamsport. At that time, there were no meetings of that type. Today, however, three additional Big Book meetings exist in Williamsport.

The group originated as a closed meeting in which the Big Book was read in its entirety, paragraph by paragraph. Members were free to comment at any time on the reading, and often the reading did not go far, due to the lively discussion! The meeting format has remained the same through the years.

The group meets weekly at the St. Boniface Church rectory at 7:30 P.M. on Friday. Originally, the meeting was held in a small room in the rectory, but as attendance grew, it was moved to a large room in the rectory basement. Other than now being a non-smoking meeting, that has been the only change made.

The group has grown considerably since its origin. From the original 6-12 members in the early years of the group, as many as 50 have been in attendance in recent years.

It is interesting to note that of the early members and founders of this group, all are still sober today, although only a few continue to make this their home group and attend on a regular basis.

The Friday Night Big Book Meeting is a member of District 48.

Respectfully submitted,

Friday Night Big Book Meeting

Update – October, 2021

As has been the case with most District meetings in District 48, our meeting attendance has suffered since early 2020 due the worldwide pandemic of Corvid 19 virus, a plague that has taken the lives of 5,000,000 people worldwide, including 726,000 Americans, 31,000 Pennsylvanians and 341 residents of Lycoming County to date.

Some of our number (in the county) have undertaken to keep meetings alive via internet online meetings; most notably Liz F., Annie W., Brian S., George H., Laraine C., Kelly F., and Rhianna S.

While our group was not able to host such an online option, many of us were grateful to be able to take advantage of the dedication and industry to those listed above.

Our host church has been very supportive of us while being mindful of CDC (Center for Disease Control) guidelines and masking and vaccination mandates. We do our best to follow the wishes of our hosts regarding masking and social distancing.

Our attendance now averages 10 – 18; roughly half of that of the period before the pandemic. We're hopeful that we will recover as the virus eventually responds to efforts to bring it under control.
