The Twelve Concepts

Concept 8

The Trustees of the General Service Board act in two primary capacities: (a) With respect to the larger matters of over-all policy and finance, they are the principal planners and administrators.

They and their primary committees directly manage these affairs. (b) But with respect to our separately incorporated and constantly active services, the relations of the Trustees is mainly that of full stock ownership and of custodial oversight which they exercise through their ability to elect all directors of these entities.

The text of the complete Concepts is published in *The A.A. Service Manual/Twelve Concepts for World Service (BM-31)* found online at www.aa.org.

The Twelve Concepts

The Twelve Concepts for World Service were written by A.A.'s co-founder Bill W., and were adopted by the General Service Conference of Alcoholics Anonymous in 1962. The Concepts are an interpretation of A.A.'s world service structure as it emerged through A.A.'s early history and experience.
