THURSDAY MUNCY MEETING

The Thursday Muncy meeting was started in October 2002, by Vince B. and Ross Y. The group was started because there was a need for a noon meeting in the Muncy area. The first meeting was held in the Evangelical Free Fellowship Church, where it is still held today.

The meeting format is an open discussion, and has been this format since the beginning. Over the years the group has grown in size. There have been no challenges or problems with the group.
